

Dear all,

As you are aware, that on 17th April 2022, 'Yoga and Wellness sessions' are to be organized at all the AB-HWCs under 'Azadi Ka Amrit Mahotsav' banner. Following that, 18th April 2022 onwards Block Health Mela needs to be inaugurated across all the blocks of the country. In this regard, following steps have been undertaken:

1. Ensure that all the facilities are reporting the wellness activities conducted on the 17th April 2022 at the AB-HWC portal. Wellness activities should be conducted under the 'Azadi ka Amrit Mahotsav' banner and strive for maximum participation in each session. Facilities can upload only 1 high quality image per activity under the wellness reporting format every day
2. Reporting format for Block Health Mela is enabled through the URL https://ab-hwc.nhp.gov.in/hwc_event/. Reporting guidance is attached as Annexure 1 & 2. Block User ID and Passwords to access the portal is attached as Annexure 3.
3. Do instruct your District nodal officers to expedite the reporting for both wellness activities and block health mela. If you have any questions or seek clarifications, you may contact Mr. Dharam Raj Singh (dharam@nhsrcindia.org) and Dr Anwar Mirza (anwar@nhsrcindia.org)
4. All the features of the AB-HWC portal i.e Daily reporting, Monthly reporting, HWC report generation have been enabled in the portal which had been disabled till 31st March 2022. So continue entries of the AB-HWC activities at the AB-HWC Portal as earlier.

ANNEXURE 1: REPORTING FOR BLOCK HEALTH MELA

1. Reporting for block health mela needs to be done on the daily basis. There is a provision for back dated entries in the portal, however it is applicable only after 18th April 2022.
2. States/UTs are required to appoint a nodal person at the block level to ensure that the reporting on Block Health Mela is carried out by the end of each day but not later than 6:00 PM.
3. District and State Nodal Officers will be responsible to ensure consistency and quality in reporting from all the block by the end of each day.
4. Instruct the respective block nodal officer to only report the data of the respective day and not cumulative numbers.
5. Reporting format for the block health mela will only work through the provided URL in Annexure 2 via laptop or desktop. Mobile phone reporting will not work appropriately and should be discouraged.
6. All the elements in the reports are required to be completed.
